107 Society Membership

The James Merrill House's 107 Society (107 Water Street being the address of our beloved Merrill House) recognizes the generosity of our most generous donors in preserving James Merrill's literary legacy through our renowned Writer-in-Residence, Merrill Lecture, and Collections Preservation programs. 107 Society Members form the backbone of our financial well-being by contributing \$1,000 or more to our Annual Fund.

We are pleased to offer 107 Society members special benefits, including:

- Priority invitations to intimate post-event dinners with Writers-in-Residence and Merrill Lecturers
- Invitations to informal wine-and-cheese "Meet & Greets" at the beginning of each writer's residency

- Guaranteed reserved seating at Merrill House events
- Advance invitation to "Poetry on the Porch" honoring the annual Yale Younger Poet award-winner, hosted by Stonington friends with great porches
- Annual "Dinner on the Deck" on Merrill House 4th floor deck with spectacular views of Stonington Village and Harbor
- Special thank-you gift at time of donation
- And more!
